Teen summer programmes

Our Teen summer programmes are designed for students aged 13 to 19 who want to improve their Spanish or English, discover Valencia and make friends from around the world.

Lessons, activities and excursions are combined in a safe, caring and international environment.

Students learn through real experiences, use the language in everyday situations and share their summer with teenagers from different countries. They return home with greater confidence, new friendships and unforgettable memories of Valencia.

We divide the teenagers into two different programmes depending on their ages, so that we can focus better on their interests and needs.

#lavidaespanole

Summer camp **13-15**

A carefully supervised programme for younger teenagers aged 13 to 15. Students enjoy language lessons, organised activities and excursions, with the support of our team throughout their stay.

Summer getaway **16-19**

A free-style youth programme aimed at students aged 16 to 19 who want to take part in a well structured, supervised programme, while also having free time to go out and explore the city with other students their age.

Day programme **13-15 / 16-19**

Special programme for students who do not require accommodation. Participants can join the Spanish or English courses and activities from Monday to Friday. This option is available for both the Summer camp and the Summer getaway programme.

The school

Our beautiful school is located in the heart of Valencia's old town, in a Gothic palace, surrounded by history and culture.

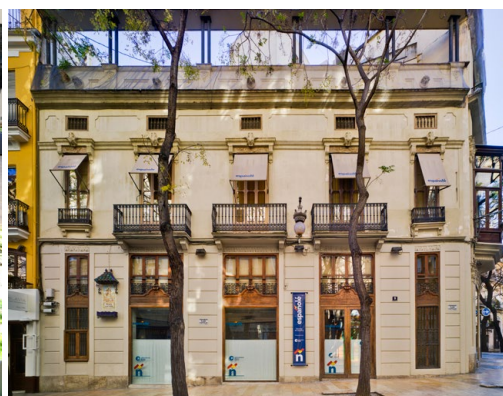

A school with 1,000 years of history.

.....

This historical building has been transformed into a 21st-century language school, blending its historic charm with modern facilities. Built on the site of the 11th-century Arab city walls, parts of these ancient walls still cross through the building and even into some classrooms, creating a unique atmosphere of history and mystery.

Behind its historic façade, students find a modern 2,100-square-metre language school with 28 classrooms equipped with interactive whiteboards, welcoming social areas, a sunny patio with orange trees and a rooftop garden where they can enjoy Valencia's beautiful weather all year round.

Teen programmes take place in a dedicated area of the school, giving students their own space to meet, relax and spend time with international friends between lessons. Its central location also places the school within easy reach of the accommodation options and programme activities.

Españolé is situated on one of the main streets of Valencia Old Town, in the district of El Carmen.

A tangled web of narrow streets, alleys and plazas packed with terraces, El Carmen has become Valencia's most famous and fascinating neighborhood.

The school is surrounded by history, culture, shops, cafes, historical sites and the energetic Spanish city life.

By bus: One of the many bus stops around the old town area.

By metro: Túria, Colón, Alameda, Xàtiva or Àngel Guimerà stations.

Quality assurance

Españolé is part of International House World Organisation, with over 70 years of experience in language teaching. We are also accredited by Instituto Cervantes and are a member of IALC.

Spanish or English courses

Students can choose Spanish or English lessons while sharing the same international summer experience

Classes focus on practical communication, helping students use the language naturally in everyday situations, both inside and outside the classroom.

Activities are shared with international students of the same age, creating a lively, multicultural atmosphere. Every experience is an opportunity to practise the language, discover new cultures and build friendships with teenagers from around the world.

To create the most suitable international classes, students from Summer Camp and Summer Getaway may occasionally study together when they are learning the same language and have a compatible level.

Your language classes

All classes are given in Spanish or English. In general the number of students per class is between 6 and 12 and each lesson lasts for 50 minutes.

There are four Spanish or English lessons every day, they can be in the morning or following a zig zag schedule (some days in the morning with activities taking place in the afternoon and some days activities taking place in the morning and lessons in the afternoon).

Since the groups are small in number, the teacher is able to deal

with the specific needs of each student on a more personal basis. The classes are based on tasks and planned depending on the students' needs and styles of learning.

Students will use a textbook in class, together with supplemental material such as newspaper/ press articles, adverts, audio-visual materials, etc. Our lessons focus on communication skills, although grammar and vocabulary are also important.

Our teachers

We have a dynamic team of teachers who love teaching languages. They're all university graduates and have many years of experience specialising in teaching international students.

They use modern materials and methods to ensure that lessons are interesting and entertaining.

Levels

Our Spanish and English courses are available at six levels, from beginner to advanced, following the Common European Framework of Reference for Languages. Spanish courses also follow the Instituto Cervantes curriculum.

Each student joins the class that best matches their level, helping them feel confident, participate fully and make the most of every lesson.

Accommodation

Choose the experience that suits you best: share your summer with international students at the residence or discover everyday life in Valencia with a local host family.

Whichever option you choose, you will enjoy a comfortable stay with the support of the Españolé team.

Host families

Experience everyday life in Valencia in a welcoming home environment and practise your Spanish naturally outside the classroom.

Our host families are carefully selected, and many have worked with us for years. Students share a double or triple room with another teenager of a different mother tongue. Lunch may be served at home or provided as a packed lunch.

Weekly laundry is included. The average journey to school is approximately 25 minutes on foot or by public transport, depending on the family's location.

Residence

Live alongside international students in a modern residence, approximately 12 minutes' walk from the school and close to Valencia city centre.

Students stay in air-conditioned double or triple rooms with a private bathroom and study area. Single rooms may be available for an additional fee. The

residence has a dining room, spacious social areas, a gym, a terrace and self-service laundry facilities.

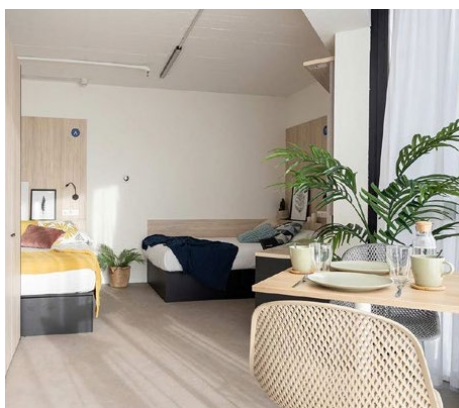

Rooms are cleaned weekly, and bed linen and towels are changed every week. Residence staff are available 24 hours a day, with supervision, rules and curfews adapted to each age group.

Included in both options

-  Double or triple rooms
-  Full board
-  Weekly cleaning

-  Bed linen and towels
-  Weekly laundry
Self-service laundry facilities at the residence.

-  Wi-Fi
-  Support from the Españolé team

Activities and excursions

The programme continues beyond the classroom. Students discover Valencia through cultural visits, sport, beach activities, workshops, social events and excursions. Our team accompanies all scheduled activities and helps everyone take part, meet new people and enjoy the city.

Every day there are activities such as cultural visits, sports competitions, barbecues, dance lessons, afternoons at the beach, or shopping.

On Saturdays we run full-day excursions, while on Sundays students are free to spend the day with their hosts or to meet friends and join the school activity in the evening.

Experienced teachers and coordinators take care of our students and accompany them during all the cultural activities, visits and excursions included in the programme.

Your arrival

Students normally arrive on Sunday and leave on Saturday. Extra nights may be available at an additional cost.

We can pick up the students at the airport and take them to the host family or residence with an extra cost. Also on departure students can be picked up at their accommodation and driven to the departure terminal of the airport.

If they book our transfer service, they will be helped to do the check-in and will be accompanied up to the security control before the boarding area.

Students who have booked the UM service with the airline (unaccompanied minor service) will also have to book the service with the school (extra cost for departure) as the airline requires the person in charge to escort the student until boarding the plane.

The first day

On Monday morning host families accompany the teens to school and show them the way back home, either walking or by public transport.

Students living in residence will be accompanied on Monday morning by our school staff. Students will then take a level test so that they can be placed in the class of the corresponding level.

After the test, they will attend a Welcome meeting where they will receive useful information and get to know other new students and the staff of the school. Once the tests have been reviewed, every student is placed in a group and the classes can begin. Complete beginners of Spanish don't have to take the level test but will participate in the Welcome meeting.

** It's possible to book the "extra supervision service" if parents want the host family or our staff to accompany the children every day to school and pick them up in the evening after the activities.

Supervision and security

Every outing is supervised by our school staff who watch out for the wellbeing and safety of our students.

Specialist activities such as sailing, paragliding, etc, are always supervised by professional instructors.

Students are expected to attend lessons and activities as scheduled, and have to respect the programme curfew that is established depending on age.
