Our Teen summer programmes are designed for students aged between 13 and 19 y.o. with all levels of Spanish or English.

We expertly combine our lessons in small, caring classes with cultural and leisure activities.

Summer camp **13-15**

Perfect for our younger students (13-15 y.o), the Summer camp is a carefully supervised programme, which still gives the students some free time after lessons and activities to spend with their new international friends.

We put great effort into opening the minds of our teenagers through total cultural immersion. Students walk away with new skills, new appreciation for world cultures, new friends from across the world and new insights into what they can achieve. Our students will practise Spanish or English, experience an exciting new culture, make international friends, and have an unforgettable time with us.

We divide the teenagers into two different programmes depending on their ages, so that we can focus better on their interests and needs.

Summer getaway **16-19**

A free-style youth programme aimed at students aged 16 to 19 who want to take part in a wellstructured, supervised programme, while also having free time to go out and explore the city with other students their age.

#lavidaespanole

Day programme **13-15 / 16-19**

Special programme for students who do not require accommodation. Participants can join the Spanish or English courses and activities from Monday to Friday.

This option is available for both the Summer camp and the Summer getaway programme.

The school

Our beautiful school is located in the heart of Valencia's old town, in a Gothic palace, surrounded by history and culture.

This historical building has been transformed into a 21st-century language school, blending its historic charm with modern facilities. Built on the site of the 11th-century Arab city walls, parts of these ancient walls still cross through the building and even into some classrooms, creating a unique atmosphere of history and mystery.

The school has 2,100 square metres with 28 classrooms equipped with interactive whiteboards, comfortable student areas, a sunny patio with orange trees, and a rooftop garden to enjoy the beautiful Valencian weather all year round.

The Españolé Teen Summer Programmes take place in a dedicated wing of the school, ensuring that all teens are together and can socialise during breaks in a young, international atmosphere. Conveniently located in the city centre, the school is within easy reach of both the accommodations and the activities.

School location

Españolé is situated on one of the main streets of Valencia Old Town, in the district of El Carmen.

A tangled web of narrow streets, alleys and plazas packed with terraces, El Carmen has become Valencia's most famous and fascinating neighborhood.

The school is surrounded by history, culture, shops, cafes, historical sites and the energetic Spanish city life.

By bus: One of the many bus stops around the old town area.

By metro: Station of Turia, Colón, Alameda, Xàtiva, Àngel Guimerà.

Spanish or English courses

New for 2026:

English classes Students can choose Spanish or English lessons while immersing themselves in Spanish culture and daily life in Spain

Throughout the programme, the focus is on real-life communication. They learn how the language is actually used in everyday contexts – in class, out in the city, and in social situations. The idea is simple: give them practical tools they can use straight away beyond the classroom.

All participants take part in the same activities within their age group, which creates a genuinely international and multicultural environment. Everyone has the opportunity to practise languages, explore different cultures, and build friendships with people from all over the world.

** Students from both Summer camp and Summer getaway programmes might share some lessons of the same language.*

Levels

The courses are divided up into 6 different levels: from beginner to advanced based on the Cervantes Institute programme under the directives of the Common European Framework of Reference for Languages.

No matter what your level of Spanish or English, we will always find a class that is perfect for you.

Our teachers

We have a dynamic team of teachers who love teaching languages. They're all university graduates and have many years of experience specialising in teaching international students.

They use modern materials and methods to ensure that lessons are interesting and entertaining.

Your language classes

All classes are given in Spanish or English. In general the number of students per class is between 6 and 12 and each lesson lasts for 50 minutes.

There are four Spanish or English lessons every day, they can be in the morning or following a zig zag schedule (some days in the morning with activities taking place in the afternoon and some days activities taking place in the morning and lessons in the afternoon).

Since the groups are small in number, the teacher is able to deal with the specific needs of each student on a more personal basis. The classes are based on

tasks and planned depending on the students' needs and styles of learning.

Students will use a textbook in class, together with supplemental material such as newspaper/ press articles, adverts, audio-visual materials, etc. Our lessons focus on communication skills, although grammar and vocabulary are also important.

Accommodation

We offer our teens the choice to be totally integrated into the Valencian life by staying with a host family or share their experience with other international young students by living in a student residence.

Host family

Our host families are carefully chosen to provide the utmost comfort and care for our teenagers. Most of our host families have been with us for years taking in our students all year round.

Students are accommodated in double rooms including full board, and we place them together with another teen of a different mother tongue.

Lunch can be packed or hot. Students can choose whether they would like to go home for lunch or take it packed to school.

Weekly laundry and cleaning are included.

The average journey to school for our students is 25 minutes (walking or by public transport, depending on their location).

Residence

We also offer the possibility of living in one of our student residences near the school.

There is 24-hour staff in the residences making sure students are comfortable and supervised. Meals are served in the residences' canteens. Weekly cleaning and free self-service laundry machines and driers are available.

Your arrival

The first day

Arrivals are normally on Sundays and departures on Saturdays (extra nights might be possible at extra cost).

We can pick up the students at the airport and take them to the host family or residence with an extra cost. Also on departure students can be picked up at their accommodation and driven to the departure terminal of the airport.

If they book our transfer service, they will be helped to do the check-in and will be accompanied up to the security control before the boarding area.

Students who have booked the UM service with the airline (unaccompanied minor service) will also have to book the service with the school (extra cost for departure) as the airline requires the person in charge to escort the student until boarding the plane.

On Monday morning host families accompany the teens to school and show them the way back home, either walking or by public transport.

Students living in residence will be accompanied on Monday morning by our school staff. Students will then take a level test so that they can be placed in the class of the corresponding level.

After the test, they will attend a Welcome meeting where they will receive useful information and get to know other new students and the staff of the school. Once the tests have been reviewed, every student is placed in a group and the classes can begin. Complete beginners of Spanish don't have to take the level test but will participate in the Welcome meeting.

** It's possible to book the "extra supervision service" if parents want the host family or our staff to accompany the children every day to school and pick them up in the evening after the activities.

Supervision and security

Every outing is supervised by our school staff who watch out for the wellbeing and safety of our students.

Specialist activities such as sailing, paragliding, etc, are always supervised by professional instructors.

Students are expected to attend lessons and activities as scheduled, and have to respect the programme curfew that is established depending on age.
